

SEAMOUNT COLLEGE PARENTS COUNCIL

Parents Council Newsletter - February 2015

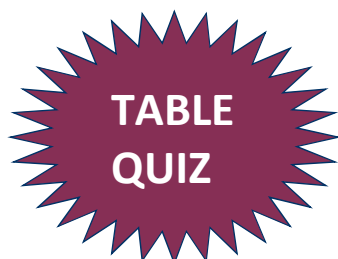

Dear Parents,

As a Parents' Council our aim is to work on items that may assist Seamount College parents and pupils, or indeed the school itself. Our recent work has included running 'The Careers Night' for 5th year students in the school, providing the book splits facility to lessen the weight of school bags and we were involved with the successful running of the Musical last November. We had lots of help from parent volunteers over the last few months, we thank you for this and hope you will continue to be involved going forward.

This newsletter is a snapshot of things to come in the coming months. If you would like to get involved and help out, please get in touch with us.

Kind regards,

Orla Keogh – Parents' Council Secretary 086 0842032
Mandy Maher – Parent's Council Chairperson 087 2450288
